About this Class

This energetic and upbeat class introduces dancers to the fundamentals of jazz in a fun, encouraging environment. Dancers will build a strong foundation through basic technique including kicks, turns, leaps, and isolations, while also developing coordination, rhythm, and musicality. One ballet class is required for level 1 Jazz participation.

This class supports:

- Dynamic warm-ups, across-the-floor progressions, and age-appropriate choreography
- Emphasis is placed on confidence, expression, and performance quality
