

Ballet 4/5

Placement (evaluation required)

About this Class

This combined class serves advanced dancers in Ballet 4 and 5, offering a challenging and focused environment that supports growth at both levels. Dancers in Ballet 4 will begin learning advanced ballet vocabulary and more intricate combinations, with increased attention to strength, stamina, and artistry. Ballet 5 dancers will refine their technique and performance quality through advanced pedagogy and focused coaching. Emphasis is placed on versatility, endurance, and readiness for auditions, intensives, and performance opportunities.
