

Ballet 3

Placement (evaluation required)

About this Class

At this level, dancers move swiftly through the CPYB syllabus, building the strength and clarity needed for more advanced ballet training. Ballet 3 focuses on refining technique, developing stamina, and increasing the complexity of movement combinations.

This class supports:

- Consistent technical accuracy
- Strong alignment and control
- Readiness for the demands of Ballet 4 & 5

2026/27 Season - Class Offerings
