About this Class

At this level, dancers have mastered floor work, modern technique, and improvisational skill. Ready to push their athleticism further, this class is for the pre-professional dancer and challenges students to bring full-body expression, technical precision, and creative exploration to every phrase on their movement

This class supports:

- Partnering techniques and trust-based movement
- Contemporary acrobatic elements and fluid transitions
- Performance quality and choreographic depth

2026/27 Season - Class Offerings

- Tuesday 7:00-8:00pm with Ms. Blythe

Scan here to visit our dress code store! Modern items include:
