RECITAL

Follow up:

Our recital "Blast From The Past" was a success and our dancers loved showing off their hard work to their families! We thank all of our staff, parents & volunteers for their support. Great job everyone!

But don't take our word for it. Here is a testimonial:

"I wanted to reach out today and let you know how impressed and grateful we were about the Blast from the Past recital! This was our first experience with my 4-year-old Delilah Bremer in a performance, and I felt that everything from all the prior communication to the rehearsal to the day of was very organized, well thought through, and smooth! We have attended lots of shows in the past and I am always impressed with the professionalism and dedication of all the dancers and staff. I can see that a lot of time is spent preparing for the production and it shows during the performance! I wanted to take a minute to say THANK YOU to the dancers, staff, and parent volunteers! This is such a great experience for our little dancer, and we really appreciate all of you who make that happen!

We look forward to future classes and performances!

Sincerely,
The Bremer Family"
