About this Class

This intermediate class focuses on the distinct styles, timing, and dynamics of hip-hop. Dancers will build on their foundation by learning intricate combinations that challenge their coordination, rhythmic precision, and performance quality. In addition to the development of technical skills, this supportive learning environment boosts performance confidence and artistic expression.

This class supports:

- Musicality and timing
- Isolations, footwork, and freestyle elements
- Performance quality and confidence

2026/27 Season - Class Offerings
