About this Class

Designed for our most advanced dancers, this class pairs rigorous technical training with an exploration of diverse jazz styles. Dancers will expand their stylistic range while perfecting high-level turn combinations, expansive jumps, and detailed choreography with strict physical control.

This class supports:

- Mastering advanced technical skills, turns, and leaps
- Developing a broad range of movement textures and styles
- Refining placement and stability during fast-paced routines

2026/27 Season - Class Offerings

- Wednesday 5:30-6:30pm with Ms. Myra
