

Jazz 2

Placement (evaluation required)

About this Class

This level builds upon the fundamentals introduced in Jazz 1, with a faster pace and more complex movement combinations.

Ballet enrollment is required at this level and beyond, as ballet technique supports the strength, alignment, and control needed for jazz progression.

This class supports:

- Precision in movement and form
- Musicality and performance quality
- Strength, flexibility, and coordination

2026/27 Season - Class Offerings
